Dear A27 Arundel Bypass Case Team,

A27 Arundel Bypass

National Highways previously informed the Planning Inspectorate of our intention to submit an application for a Development Consent Order regarding the A27 Arundel Bypass. This project was later deferred by a Ministerial announcement on 9 March 2023.

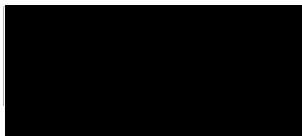

The Department for Transport has now confirmed that the A27 Arundel Bypass scheme will not proceed. Therefore I wish to confirm that our previous intention to submit for a Development Consent Order is formally withdrawn and the scheme removed from the Planning Inspectorate website.

If you require any further information on the project, please contact us via email at A27ArundelBypass@nationalhighways.co.uk. Alternatively, you can contact our Customer Contact Centre. They are available 24 hours a day by phone: 0300 123 5000 or by email: Info@nationalhighways.co.uk.

You can also tell us about something wrong on any of our roads by using the Report a Problem page on our National Highways website: <https://nationalhighways.co.uk/about-us/contact-us/>

To help us identify and make improvements to our responses, we would be very grateful if you could please take our feedback survey by clicking [here](#).

Yours sincerely
