Dear Sirs

Freedom of Information Request - Rail Bridge AGB3, Luffness, East Lothian

I am writing to request information from you under the Freedom of Information (Scotland) Act 2000 in relation to the ongoing repairs to this bridge which you closed at the end of February 2024.

Specifically, I would request the following details:

1. Details of each inspection of this bridge since 1 January 2019 and by whom.
2. The nature of the repair works identified to be carried out before and during the works, including any structural issues identified and safety assessments.
3. The timeframe during which the repair works should have taken place (start and completion dates) and the timeframe now envisaged to completion.
4. Each estimate of the cost of the repair works from the outset as that has been updated to date.
5. Details of any contractors, consultants or companies involved in carrying out the repairs, whether any changes have been made and, if so, why.

In relation to each of the above items, please provide copies of all correspondence, documents, reports, minutes and other information that you hold whether in written, photograph, film, electronic or other form. Electronic information can be provided on a USB memory stick.

If any of the requested information is not available or cannot be disclosed, I would appreciate it if you could provide an explanation of the exemptions under the Act that apply to each part of the request.

Please send the information to ror@milne.law or by post to this address

I understand that National Highways (Historical Railways Estate) is required to respond within 20 working days, and I look forward to receiving the requested information.

Thank you for your assistance.

Yours faithfully

R.M.S. Milne
