Subject: DL 12 March: Approval to issue refusal recommendation - A30 Treguddick Distillery (PA24/00879))
Importance: High

Dear [REDACTED]

Apologies for another recommendation of refusal for approval – this time it is the A30 Treguddick Distillery site near South Petherwin Cornwall.

I know [REDACTED] has discussed this application with you – as I’m sure have others. I hope the draft is self explanatory but if there is anything you wish to discuss please don’t hesitate to let me know.

The background documents should you wish to look at anything referred to in the draft are on share here: <https://share.highwaysengland.co.uk/share/llisapi.dll/link/109234405>

My deadline to issue is 13 March, so if you were able to come back to me by close on 12 March that would be great as it then gives me time if you need any changes making.

Kind regards
