

Table 1 - RIS1 Schemes in Trans Pennine South Model Area

Scheme	TPS Code	Description	Highways England Contact	HE Contact ID	Response	Action	Action Taken (Y/N)
A1 Leeming to Barton	TPSRIS1-01	Upgrading A1 between Leeming to Barton	Unknown	0	This scheme is now built and open to traffic so there will have been no changes to the design since it was last coded into the model.	No changes required	N/A
A160/A180 Immingham	TPSRIS1-02	junction Improvements between A180 & A160 & upgrading A160 to full dual carriageway	Unknown	0	the scheme is now built and open to traffic. No change since you last coded the scheme. The new gyratory at Rosper Road is now fully open to traffic. The original single carriageway section of the A160 between Brocklesby junction and Habrough roundabout is now open for use as a dual carriageway and the slip roads at Brocklesby junction are also open. The new Town Street bridge over the A160 is now open at South Killingholme improving access for residents on both sides of the village.	No changes required	N/A
M6 Junctions 16-19	TPSRIS1-03	Smart Motorway	Unknown	0	Scheme under construction. Smart motorway between J16 and J19. No change to previous scheme coding	No changes required	N/A
M1 Junction 45 Improvement	TPSRIS1-04	Improvement to J45 M1, to east of Leeds	Unknown	0	Scheme under construction. No change from previous coding. Scheme is to widen some of the entry and exit slip roads to the roundabout at junction 45 of the M1 and adding an extra lane to the roundabout itself increasing it from 2 to 3 lanes.	No changes required	N/A
A556 Knutsford to Bowdon	TPSRIS1-05	Widening A556 between M56 & M6, including a bypass around Mere	██████████	1	There has been no change in design since that provided in 2015-2017	No changes required	N/A
M60 J8 to M62 J20: SM	TPSRIS1-06	Smart Motorway	██████████	1	There has been no change in design since that provided in 2015-2017	No changes required	N/A
M60 Junctions 24-27 & J1-4	TPSRIS1-07	Upgrading south-eastern quadrant of the M60 to Smart Motorway between junction 24 (M67) and junction 4 (M56).	██████████	1	This scheme is not going ahead in its current form, so should be removed from model	Scheme to be removed from coding.	Y
M6 Junction 22 upgrade	TPSRIS1-08	Improvements to junction 22 near Warrington	██████████	1	Not aware of specific project here. Contact ██████████ as this may have been subsumed into the M6 J21A-26 Smart Motorway Project	Coded as part of the M6 J21a-26 package	N/A
M53 Junctions 5-11	TPSRIS1-09	Smart Motorway	██████████	1	Scheme has been parked	Scheme to be removed from coding.	Y
Mottram Moor Link Road	TPSRIS1-10	New offline bypass around Mottram	██████████	1	Scheme Information received	Explode central and western rbt to signalised, and turn the northern and eastern rbt into a signalised junction.	Y
M1 Junctions 28-31	TPSRIS1-11	Smart Motorway	██████████	2	scheme open to traffic. No change from previous coding	No changes required	N/A
M1 Junctions 32-35A	TPSRIS1-12	Smart Motorway	██████████	2	scheme open to traffic. No change from previous coding	No changes required	N/A
M1 Junctions 39-42	TPSRIS1-13	Smart Motorway	██████████	2	Information requested from ██████████ - MP PM in Lateral, awaiting response	No changes required	N/A
A63 Castle Street	TPSRIS1-14	Grade separation of A1079 Mytongate jctn & improved pedestrian & cyclist access	██████████	2	Scheme information received	No changes required	N/A
M6 Junctions 21A-26	TPSRIS1-15	Smart Motorway	██████████	2	Scheme information received	No changes required	N/A
M62 Junctions 10-12	TPSRIS1-16	Smart Motorway	██████████	2	Information requested from ██████████ - HE, awaiting response	No changes required	N/A
M56 Junctions 6-8	TPSRIS1-17	Smart Motorway	██████████	2	Scheme information received	No changes required	N/A
M621 Junctions 1-7 Improvement	TPSRIS1-18	Improving key junctions in central Leeds	██████████	2	Scheme information received	Extra lane required onto M621 Jct, after left turn only lane	Y
M62/M606 Chain Bar	TPSRIS1-19	Provision of direct link from M62 westbound to M606 northbound	██████████	2	This scheme is in abeyance – speak with ██████████ the last MP PM or again ██████████	Scheme to be removed from coding.	Y
M62 Junctions 20-25	TPSRIS1-20	Smart Motorway	██████████	2	Scheme Information Received	No changes required	N/A
A585 Windy Harbour - Skippool	TPSRIS1-21	New offline bypass of Little Singleton	██████████	3	Scheme information received	Scheme to be removed from coding.	Y
A5036 Princess Way	TPSRIS1-22	Comprehensive upgrade on main link between Port of Liverpool & motorway network	██████████	3	Scheme information received	No changes required	N/A
M56 New Junction 11A	TPSRIS1-23	A new junction to link M56 to A533 at Runcorn	██████████	3	Scheme information received	Recode to match the received drawings	Y
M6 Junction 19 Improvements	TPSRIS1-24	Improvements to M6 J19 near Knutsford	██████████	3	Scheme information received	Update of node coords to match layout of network	Y
