Hi Kam,

I am the transport consultant acting on behalf the applicant for the above planning application. I have recently received a copy of the attached correspondence, which includes an email from yourself (dated 9<sup>th</sup> August 2024). It states that NH will be preparing a written response to matters concerning the above application during early September, prior to the planning committee scheduled on Tuesday 10<sup>th</sup> September 2024.

Please can you provide with me a copy of the NH response ahead of the committee date? It is imperative that the response is shared with the applicant, as it may influence the determination of the planning application.

I look forward to your response.

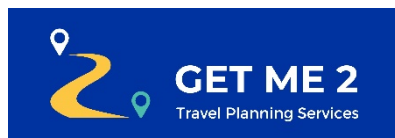

Kind regards,

[REDACTED]
