**Attachments:** M4 PoW resurfacing comms plan summary.pdf

Good afternoon all,

Please find the attached summary of the communications strategy we are currently delivering. It gives an overview of the needs of the scheme, the message we are trying to convey and the current communications strategy. It has been refined with PURDAH due to the upcoming elections on the 4<sup>th</sup> July. We will appreciate any feedback you may have on this before going out to the wider stakeholders.

Kind regards  
Karolina
