Hi [REDACTED]

As discussed, here's a list of some of the more significant events we've identified in the area. WG have offered to send us a list so we can add to this.

I've highlighted the events that might have the most customer impact and that we'll have to plan for. I guess this would be mainly extra comms and possible avoid any night closures. Can we also add them to the programme please?

**Principality Stadium:**  
Friday 9 August - Billy Joel  
Saturday 17 August - Speedway GP  
November - Rugby Autumn Internationals - fixtures not yet confirmed.

**Rhondda Cynon Taf/ Pontypridd.**  
3-10 August 2024 National Eisteddfod

**Chepstow Racecourse**  
6th July Tom Jones – plan start of main TM to avoid this event  
9th July Hozier,  
Race days throughout July (2) Aug (3) Sept (2) Oct (3) Nov (2)

**Bristol**  
19-21 July Harbour Festival  
8-11 August Balloon Fiesta - Ashton Court  
25 August – Massive Attack - The Downs

**Other TM**

- A403 weekend closure for National Rail bridge replacement 17-19 August 2024
- Badminton Road bridge (M4 J18-19) weekend closures in June & September (demolition)
- M48 from M4 to J1 – overnight surfacing works - should finish before we start.
- SWTRA – major overnight surfacing works west of J2 – should finish before we start.

Thanks
