Morning

The only feedback I would give is that the festival parking signage needs to be alot clearer for everyone. For example I was stood at the top of the "L" slip at junction 44 waving traffic on to the roundabout and nearly every car stopped to ask me where the different coloured car parks were for picking up people. I.e - purple, green, brown etc or lettered car parks A,B,C etc. Non of the signs mentioned the different coloured or lettered car parks. I had several people pass me 2 or 3 times going round in circles because they couldn't find the relevant car park. With people stopping to ask it caused more delay and traffic was constantly backing up on the slip road.

Hope this helps

Thanks

Subject: Leeds Festival Feedback

Hi all,

Thank you all for your contributions to the safe delivery of the Leeds Festival 2024.

As always, we're looking for feedback to feed into plans for 2025.

Please take a moment to provide me with any feedback you have, good or bad. It really helps me, Festival Republic, WYP and others, understand what worked and where there are opportunities for improvement.

If you can provide feedback ASAP, as I will be contributing to various debriefs for the event in the coming weeks.

Thanks,
